

## Media Release

### **Allegis Talent2 ranked as a top Global RPO provider by HRO Today RPO Bakers Dozen**

#### **Allegis Talent2's extensive global footprint key to ranking**

**Hanover, MD**, August 27, 2011 – [Allegis Talent2](#), the partnership between Allegis Group Services and Talent2 to deliver RPO solutions globally has been named number 4 in the Global RPO provider category with an overall enterprise ranking of number 6 in this year's HRO Today Magazine 2011 Baker's Dozen Ranking. The [annual list](#), published by HRO Today Magazine, is in its fifth year and is developed based on a survey of enterprise RPO buyers and experts. Provider rankings are based on quality of service, breadth of service and size of deal.

Allegis Talent2's ranking as a top global RPO provider reflects the success of the partnership between Allegis and Talent2 on multi region outsourcing deals and demonstrates the value of its unique global footprint and operating model.

This ranking is consistent with other recent industry rankings, including Allegis Group Services' number 1 ranking in quality of service; number 3 ranking globally in HRO Today MSP Baker's Dozen and Talent2's number 1 ranking in Asia for Multi Process HRO solutions by Nelson Hall in 2011.

Commenting on the rankings, Randolph Gulian, Executive Vice President/General Manager, of Allegis Talent2, said: "Our position on the Baker's Dozen echoes the tremendous continuous growth we're seeing in our business. We will continue to innovate and evolve the range of services that we deliver to our clients as we aspire to achieve the number 1 position. We believe our ranking was achieved because we've focused on delivering global end-to-end RPO solutions for our clients in order to manage their total workforce solution.

Andrew Grant, Global Managing Director Recruitment Managed Services, of Talent2 adds: "In a volatile economic environment with tight labour market conditions, organizations are increasingly looking to build flexible and scalable talent acquisition capabilities with an RPO provider. Our combined global

footprint and operating model is uniquely matched to multi national organisations looking to acquire and manage human capital.”
